

AMAZING GRACES NEWSLETTER FEBRUARY 2018

Luke 10:2: He told them, 'the harvest is plentiful. But the workers are few. Ask the Lord of the harvest, therefore to send out workers into his harvest field'.

What an exciting calling: to harvest young people for the kingdom of God! In South Africa the harvest is white and ripe. But the workers are few.

This is your opportunity to become part. Join the Amazing Graces Training Camp April 2018 in Kempton Park. Here people who want to work with youths in their communities, are trained as Team leaders in various relevant subjects, such as Christian morals and ethics (Life-lessons); Democracy Education; Reading Clubs; Food gardens; Money matters; and how to start and grow a youth group.

More details on the Registration form attached. (Only 28 places available).
