

## AMAZING GRACES NEWSLETTER JANUARY 2018

In the world 'mighty men' come and go. In history we see so many momentous events now being, well.... history.

The only things that remain are faith, hope and love- the effects of which continue to reverbate through the ages

*1 Cor 13:13 and now these three remain: faith, hope and love, but the greatest of these is love, (NIV)*

In our country, with its inordinate share of challenges, we are privileged to have ample opportunities to apply these eternal principles on a daily basis to a struggling, sighing and lost society.

What better place to share love than with our youth so much in need of hope and constructive engagement in their lives?

This is the mission of Amazing Graces – to bring the eternal good news, which frees you spiritually from worldly concerns, hand in hand with practical skills, to improve the lives of young people in their communities.

We are establishing Youth Groups under leadership of resident Team leaders in various provinces whom we train and equip in our Curriculum. Training is done via our Amazing Graces Training Camps, personal visits and volunteer presenters.

Become part of our growing team (as team leader, presenter or general supporter). You only need to share faith, hope and love – the rest we will equip and empower you with, by the grace of God. Contact us!
